A shocking look at Estate Administration

... available to you. But you should know that there are other options. When you choose to manage your own estate administration by creating a **family home trust** online, you can easily find the policy you want at a price you can afford, avoiding the many hassles and expenses associated with traditional ...

What Is Creditor Protection?

... adult. Naturally, you want to continue living in your home and you would probably like to preserve your primary residence for your family. A **family home trust** that holds your property in reserve for named beneficiaries (a spouse, children, etc.) can stop creditors from laying claim to this major asset ...

How to understand Family Trusts

... time as they are passed along (at your death or another time specified in the trust). You can place property like a primary residence into a **family home trust**, for example. Trusts can also be used to protect a wide range of other assets, from heirloom jewelry, furniture, and art to stocks, bonds, and ...

Top 5 Family Trust Advantages

... gone, trusts are an excellent way to protect your assets and see that they go to intended beneficiaries. This is because a structure like a **family home trust** transfers ownership during your lifetime (as soon as the trust is created). Since you no longer "own" the property, your creditors cannot claim ...

Family Trusts for Dummies

... some family trusts are much easier and potentially less expensive to set up than, say, a last will and testament. If you want to create a **family home trust** to ensure the safety of your family's primary residence, you can do so online in as little as about 15 minutes for a fraction of the cost you ...

Wealth Protection: 3 projects to start right now

... finding ways to isolate wealth is advisable. 3. Create family trusts One of the very best ways to protect your wealth is by setting up a **family home trust** and/or other types of family trusts. This legal maneuver is not only a way to ensure that assets are passed on to intended beneficiaries, but ...

Should you protect the value of your Home?

... trusts are only for the uber-wealthy or elderly, and that they are too expensive for the average person. This is not true. Anyone can set up a **family home trust** to protect their main asset, and with modern, online services, you can do so in as little as fifteen minutes and at a fraction of the cost of ...
